

This is a blank map of Crawford County, Missouri. The county is shown in white, surrounded by gray areas representing neighboring regions: Linn to the north, Allen to the west, Neosho to the southwest, and Missouri to the east. The county name "Crawford" is printed in the center of the white area. In the bottom right corner, there is a legend indicating the map uses the Mercator projection, a north arrow pointing upwards, and a scale bar showing 8 km and 6 miles.
